

## **Supplementary Regulations**

Event: Sealed Surface Autotest and Production Car Autotest at Isle Of Wight College on 14<sup>th</sup> February 2016.

### **1. Announcement**

1.1 Isle of Wight Car Club will organise a clubman permit Autotest and Production Car Autotest from 0900 on Sunday 14<sup>th</sup> February 2016 at Isle Of Wight College.

### **2. Jurisdiction**

2.1 The meeting will be held under the General Regulations of the Motor Sports Association (incorporating the provisions of the International Sporting Code of the FIA) and these Supplementary Regulations and Championship Regulations.

### **3. Authorisation**

3.1 The event is open to all fully elected members of the organising club.

3.2 MSA Permit Number: 94020 and 94022

3.3 All competitors must produce their club membership card on request.

### **4. Championship**

4.1 This is a non-championship event.

### **5. Timetable**

5.1 Signing on from 9.00am until 9.30am on the day of the event.

5.2 Scrutineering will commence at 8.30am.

5.3 Safety briefing will commence at 9.30am which all drivers must attend.

5.4 Track walk will commence at 9.45am which all drivers must attend.

5.5 First car away at 10.00am.

5.6 Event finishes at 5.00pm or earlier.

## 6. Description of Event

6.1 The course will be made available to competitors after the safety briefing and before the first run of the day. It will also be available on the whiteboard at Timing Control.

6.2 The event will consist of 6 timed runs over 2 course layouts.

6.3 Should time limits dictate, or due to unforeseen circumstances, it may be necessary to limit the number of runs of each competitor on the day.

6.4 Cars will be identified by driver number and are those issued at the beginning of the club's competition year or when a member joins the club.

6.5 Practicing will not be permitted.

6.6 Crash helmets and seat belts must be worn whilst competing. The only exception in regard to seat belts is for unmodified production vehicles which left the factory without seat belts. However, it is recommended that seat belts be fitted; this will not result in the vehicle being considered modified, unless the nature of the modification is considered by the Clerk of the Course, taking advice as appropriate, to have provided an advantage.

6.7 *[Deleted as not applicable]*

6.8 Competitors may start in any order but no competitor may undertake subsequent runs until all competitors, other than those marshalling, have completed the same number of runs. Those marshalling on the last run can undertake their last run prior to marshalling.

6.9 The start marshal will wave the competitor forward into the start position and then notify the competitor when they may start in their own time. This communication may be aided by a "lollipop" signal or a green "traffic light".

6.10 All runs will be from a standing start.

6.11 Timing will be via an automatic timing beam located in the start box. Timing will commence when the start beam is broken by the leading edge of the vehicle leaving the start box and will be stopped by the leading edge of the vehicle entering the finish box.

6.12 To avoid queue jumping, competitors must finish their run then leave the course to queue again unless directed otherwise by the Clerk of the Course or his/her nominee(s).

6.13 At least one run in each test must be attempted to appear in the results. If a vehicle breaks down during the test, provided the driver was making an effort to attempt the test when the vehicle broke down, it shall be considered a wrong test.

6.14 If a car has broken down a competitor can fall behind the other competitors by no more than 2 runs and be able to subsequently make them up.

6.15 Break down. A vehicle, at the discretion of the Clerk of the Course, shall be considered to have broken down if, during a run, it became unsafe, deposited liquid likely to make driving more difficult for following drivers, produced excessive noise or fumes, or developed mechanical difficulties that could worsen if the run was not terminated. This list is not exhaustive.

6.16 A competitor will not be allowed to have a subsequent run until at least five other competitors have had runs, or where this is not possible, three minutes have elapsed.

6.17 A red flag shall be waved at a driver if, in the opinion of the Clerk of the Course or marshal, to continue could be unsafe, either for a driver, spectator(s) or loose animal, or likely to cause damage to the surface or other property, or was depositing liquid likely to make driving more difficult for following drivers, or if the vehicle was emitting excessive fumes or making excessive noise or for any other reason which is reasonable in the circumstances.

Deliberate failure to stop in a quick and safe manner when a red flag is waived shall result in exclusion from the event and the results of the event. Such a failure to stop will be regarded as a serious breach of safety requirements and shall be reported to the committee for disciplinary action within the remit of club rules. The incident, at the discretion of the committee, may also be referred to the MSA.

6.18 The tests are in all-forward direction.

6.19 Instead of Table M.7 within Section M (Autotests) of the current MSA Yearbook the following penalties will apply both to Autotests and Production Car Autotests.

Touching Marker	=	+5 Seconds
Line Fault (not stopping in stop box)	=	+10 Seconds
Wrong Test / DNF	=	Fastest time for that run + 30 Seconds
Time taken to complete test a second)	=	Every second and fractions (to 100ths of

## **7. Classes**

7.1 All vehicles will compete in a single class without restriction.

7.2 Entries will be accepted for vehicles which are not taxed or currently registered as a private car.

## **8. Entries**

8.1 Entries are to be made at the venue, on the day of the event, to the Membership Secretary between 9.00am and 9.30am.

8.2 The entry fee is £10 per driver in advance or £12 on the day.

8.3. Entry fees can be paid in advance using Paypal on the Isle of Wight Car Club's website ([www.iowcc.co.uk](http://www.iowcc.co.uk)).

8.3 The maximum entry is 65 and the minimum is 3. Should the minimum not be reached the organisers have the right to cancel the event.

8.4 Pre-paid Entry fees can be refunded if notification is given to the Entries Secretary by 9.30am on the day of the event.

## **9. Postponement/Cancellation**

9.1 If the event has to be postponed or cancelled then notice will be given by means of the club website and by E-mail to all entrants who have provided their details.

## **10. Officials**

10.1 The officials are:-

Entries Secretary	Ryan Munt
Clerk of the Course	Andy Williams
Scrutineer	Brian Robbins
Safety Officer	Joseph Moore
Chief Marshall	Chris Wilson
Child Safeguarding Officer	Andy Williams

## **11. Results and Awards**

11.1 Interim results will be available and immediately updated via computerised system at Timing Control.

11.2 Final results will be published as soon as possible on the club website and will be deemed Final 48 hours after the close of the event if no protest has been received.

11.3 Competitors are reminded of the MSA General Regulations concerning protests (Section C).

11.4 An award will be presented for the overall event winner only, being the competitor with the lowest combined times.

## **12. Additional Regulations**

12.1 All entrants must ensure that all persons connected with their entry have read and fully understood the following statement:

**Every person participating in this event, whether employed or voluntary, shall take reasonable care for health and safety of themselves or other people who may be affected by his/her acts or omissions during the operation of the event.**
